PRODUCTIVITY REVOLUTION THROUGH EFFICIENT EQUIPMENT & TECHNOLOGY

**CRAFTING MACHINERY
THAT FEEDS THE WORLD**

SCIONTEK MACHINERIES MANUFACTURING PLC

About Us

Sciontek Machineries Manufacturing PLC Proudly Partners With Kamco, A Trailblazing Agricultural Innovator With A Rich History Dating Back To 1973. Born Out Of A Joint Venture Between Kerala Agro Industries Corporation Ltd. (Kaic) And The Government Of Kerala, Our Parent Company Has Been Setting New Standards For Farming Practices For Decades. With An Unwavering Commitment To Excellence And Quality, Our Parent Company Has Delivered Groundbreaking Solutions That Empower Farmers To Boost Productivity And Efficiency.

Through continuous research and development, Our parent company has expanded its product portfolio to include tractors, tillers, reapers, and more, catering to the evolving needs of farmers worldwide. As the exclusive overseas marketing and trading partner of KAMCO, Sciontek Machineries Manufacturing PLC is dedicated to bringing these innovative agricultural solutions to a global audience, furthering our mission to empower farmers and drive agricultural progress.

Our Strengths

3 State-Of-The-Art Factory Units
700+ Direct Employees
300+ Contract Employees

Our Vision

To revolutionize farming by delivering sustainable, affordable, and innovative agricultural mechanization solutions.

Our Mission

To revolutionize agriculture through comprehensive mechanization solutions, leveraging cutting-edge technologies and innovative products to boost national agricultural productivity.

Our Expertise

Technical expertise in agricultural mechanization, enables us to craft innovative solutions that boost productivity and efficiency for farmers worldwide

Strong focus on research and development to stay ahead of the curve

Collaborative approach to deliver customized solutions that meet our Client needs

1973 Factory Inauguration
A Legacy Begins

BRUSH CUTTER

Your Multi-Purpose Solution for Farming & Gardening Excellence

POWER - PRECISION - PERFORMANCE

BRUSH CUTTER WITH INTEGRATED TROLLEY

WITH THE TROLLEY ATTACHMENT, BRUSH CUTTING BECOMES EASIER AND MORE EFFICIENT.

KEY FEATURES

Walbro Carburetors

Equipped with Walbro Carburetors for longer run-time and reduced fuel use which enhances fuel efficiency upto 2.5 hours/ 1 Ltr. Petrol

Aluminum Clutch

Aluminium clutch with lining increases shaft hub life and reduces wear

Multipurpose Utility

COFFEE HARVESTER

PADDY SHIELD

WEEDER

GARDEN TILLER

CHAIN SAW

STANDARD INCLUSION

80 T BLADE

NYLON TRIMMER

SAFETY GLASS

PROTECTIVE FACE UV MASK

SAFETY GLOVE

Model No.	ST-36	ST-43	ST-52
Displacement	35.8cc	43cc	52cc
Engine Type	4 stroke air cooled	2 stroke air cooled	2 stroke air cooled
Engine power	1.2 KW	1.25KW	1.5 KW
Idle Speed	3000-4000 RPM	2800-3000 RPM	2800-3000 RPM
Carburetor	WALBRO	WALBRO	WALBRO
Working Pole Diameter	28mm	28mm	28mm
